

MISSION PARTNER PROFILE

**Milan & Grace Magar
Nepal**

Milan and Grace Magar started serving the Lord together as mentor, Bible teacher and trainer in 2007, the year they got married. Blessed with a daughter and a son, the couple now runs a training centre in eastern Nepal.

Milan had served as a Coordinator of LTD/NCFN for the far western part of Nepal for three years before setting up a residential training centre for LTD in western Nepal. After serving a few years there, he decided to upgrade his leadership skill and theological knowledge in order to be a more effective agent of transformation. In April 2014, Milan graduated from IGSL with Master of Divinity in Biblical Studies. Grace, who hails from Myanmar, finished her Master of Divinity in 2006.

Milan came from a broken Hindu family and was a drug addict who was used to serving jail time in his younger days. In 1999, his father's friend shared the Gospel with him and he accepted Christ. He then started attending house fellowship regularly and underwent discipleship programmes. Even as he experienced transformation in his own life, Milan began to see the need for trained leaders in the church.

When God opened the way for him to attend the Bible College in 2003, he was sure of his calling to equip and empower untrained church leaders. Recently, he and his wife started a mentoring movement in the eastern and western parts of Nepal in order to touch and transform lives for the family, community and nation. They have a passion to produce Christ-like leaders and Bible-centred families in Nepal and beyond.
