

# MISSION PARTNER PROFILE

**Kumar & Kats Aryal**  
**Philippines**

Kumar and Kats Aryal are professors at the [International Graduate School of Leadership \(IGSL\)](#) in Manila. IGSL has about 300 students studying on campus and more than one thousand alumni serving in 43 countries.

Kumar is from Nepal and Kats is from the Philippines. They first met at IGSL in 2009 and were married in 2014 in the Philippines.

Their vision is to see the local churches in Asia being led by spiritually transformed and biblically trained leaders. To realise that vision, they are committed to teaching, mentoring and coaching students from more than 20 Asian countries at IGSL.

Aside from teaching, Kumar is working on his PhD at the William Carey International University. His leadership roles at IGSL include being chairperson of Leadership and Intercultural Studies Department, and coordinator of Team Leadership Practicum (TLP), a three-week summer internship for all IGSL students. Kats serves in the Office of Ministry Affairs, which is committed to providing field ministry environments and exposures for all IGSL students. As a result of their ministry at IGSL, many leaders were transformed and many spiritual movements were formed for the expansion of God's Kingdom in Asia and beyond.

The couple is also very passionate about reaching out to Nepali medical students in the Philippines. There are more than 1,000 Nepali students studying medicine in various universities in the Philippines. This number increases every year as the Philippines is becoming a popular destination for Nepali medical students.

Kumar and Kats are maximising that window of opportunity to evangelise and disciple future Nepali doctors in the Philippines. As a result of this ministry, many Nepali students have heard the Gospel and accepted Jesus as their Lord and Saviour.
